

LEGAL NOTICE
PROPOSED 2006 CAVEAT AND PROPOSED FINAL ASSESSMENTS
FOR TRUNK AND LOCAL SANITARY SEWERS AND EXTENSIONS THEREOF AND
ADDITIONS THERETO CROMWELL WATER POLLUTION CONTROL AUTHORITY
CROMWELL, CONNECTICUT

The Cromwell Water Pollution Control Authority has prepared a schedule of Proposed Final Assessments for a portion of laying out and constructing Public Sanitary Sewers and extensions thereof and additions thereto.

Benefit assessments are based on the "Resolution Adopting Rule of Apportionment of Sewer Benefit Assessments" adopted April 9, 2002.

(*) This asterisk signifies "payment deferred" on certain lots and/or buildings that certificates of occupancy have not been issued by the Town of Cromwell for those lots and/or buildings. It is proposed that by the Cromwell Water Pollution Control Authority that no installment of the payment of the sewer assessments set forth herein shall be required with respect to the particular lot and/or building until after a certificate of occupancy has been issued.
