E. NEW BUSINESS

It was decided that committee meetings will be held on the first Tuesday of each month
at
7:00 p.m. beginning Tuesday October 2, 2018.

Discussion regarding supporting people with disabilities in Cromwell:
Ms Marron met with Scott the new Parks and Recreation director. She feels that

the town is working in a positive direction to include programs for children with special needs. Mrs. Cantwell stated that he has not responded to emails.

Discussion about creating a survey to send to the town about feelings and issues regarding activities and program for people of all ages with special needs. To be created in the future.

Mrs. Demetriades would like to know how funds are appropriated. Mr. Demetriades mentioned that if we see needs, we, as a committee, can make requests and recommendations to town departments.

Lengthy discussion was had in regards to the "Spread the Word to End the Word" pledge. Disability Rights Connecticut (DRCT) invited to Town Council meeting to discuss this initiative. Committee is unsettled about the use of the word 'retard' used in books approved in public school curriculum. Committee would like this brought up with the school board. Committee is also unhappy that Councilman Johnson feels comfortable using the word as a slur that insults people with special needs. The committee will write a letter to the editor of the Middletown Press to voice our concerns.

F. ADJOURN
