

7. New Business-

a. Barbara Grotheer and Eileen Branciforte initiated a discussion on the New Library System and how materials requested by patrons are circulated within the Consortium. Eileen clarified for us how our three librarians purchase new materials and she distributed copies of our Material Selection Policy. Although the new system is working, there are some areas that need to be worked on by the libraries involved. It was suggested by Marie Roberto that this stay on our agenda for future discussion.

b. Eileen shared that our newly designed library website will be up and running on Friday March 13, 2015.

8. Other-

a. Eileen and Marie showed some very interesting items made by the library's new D printer.
