Motion was made by Phil Gregory and seconded by bill Konopka to approve the minutes of the May 7, 2015 meeting. It passed with Paul Cordone abstaining.

No citizen's comments.

No correspondence.

Director Schein reported on the Summer programs. It was one of the busiest and most used summer the department has had. All but 2 programs offered ran (one not running was lacrosse that surprised the director immensely) and all others had very high numbers. The playground program had very high attendance especially for the 7<sup>th</sup>/8<sup>th</sup> grade site that was double of last year. Very little problems though in any of them.

New Business, - fall brochures went to schools that day

Old Business-splash pad will be in for next summer is the plan

Commissioners comments- John Schmaltz asked if Sue could check on the possibility of lights for the parking lot at Pierson Park since Midget Football ends in the dark. She told him she has asked in the past regarding this but will see if there is anything that can be done. He also asked if it was true that the Park Departments budget was cut due to the new field maintenance fee being put in. Director Schein said she would talk with the Public Works Director and see if that is what he was told and get back next meeting with the answers. Phil Gregory told the group of the pasta supper for the dog park on Oct 3 and the dog swim is going to be held again this year.

Motion was made by Phil Gregory and seconded by Brenda Zeilor to adjourn the meeting at 7:30PM. It passed unanimously.
