THE PROGRAM

CAMP SUNRISE is sponsored and operated by the Parks and Recreation Departments in Rocky Hill, Wethersfield, Newington, Glastonbury and Cromwell. Camp runs for seven weeks from June 19-August 4. Hours are 9:00 a.m. to 3:00 p.m., Monday-Friday. The program will meet at the Smith Middle School Cafeteria. Each group participates in a variety of activity periods each day which include games, sports, art and crafts, nature walks and field trips. You may sign your child up for one to seven weeks. There will be no camp on Tuesday, July 4th.

A typical camp day consists of several planned activity periods throughout the day including sports, nature, arts and crafts and special events. Campers will swim at the Addison outdoor pool and your weekly schedule for camp will detail on which days your child swims. **Please make sure your child brings a lunch every day (except where noted) and a towel and bathing suit on days they are swimming.**

THE STAFF

Camp Sunrise consists of a Director who oversees all of the groups and maintains communication with the Parks and Recreation Department. The Assistant Director reports to the Director and assists each of the Group Leaders with daily tasks and coordinates all volunteers. Campers are grouped by age and ability into different groups. Each of these groups has their own Group Leader and share an Assistant Group Leader. We also utilize many high school age volunteers throughout the summer. The camper to staff ratio is usually around 5:1. Our staff consists of college age or older individuals who have had experience working with special needs children. Many of our staff members are studying to be teachers or special educators. The Director and Assistant Director are certified in first aid, CPR and medication administration. All staff has received "PMT (Physical/Psychological Management Training)".

WEEKLY SCHEDULE

Typical activities include arts and crafts, swimming, sports and other special event activities. A weekly schedule will be e-mailed and also brought home with your camper on the first day of each week of camp. It contains important information regarding field trips, special events, etc. It is essential that you read through the information thoroughly, as specific requirements may differ for each trip. Prior to the beginning of camp, you will also receive a program calendar that covers all seven weeks of camp and details swimming days when your child should bring a bathing suit, towel and change of clothes. We strongly suggest that campers apply sunscreen in the morning prior to camp. Additionally, we encourage campers to have **spray** sunblock (minimum SPF 15) with them at camp at all times as campers are outside on a regular basis. **We are unable to apply topical sunscreen.**

SWIMMING

Campers, staff and volunteers will **WALK** to Addison pool for swimming as listed on their weekly schedules. The walk is approximately ½ mile and transportation is provided back to the camp site after swimming. This is a free swim and does not include any formal lessons. You will need to send your child to camp with a towel, bathing suit, and change of clothes on any day they have swimming on their schedule. Most Group Leaders and volunteers will be in the water with the campers. Those campers with little or

no swimming ability will be at the shallow end of the pool with swimming aids and one to one assistance from camp staff or in the wading pool. Those campers with a higher level of swimming ability may swim in the deep end of the pool. Certified lifeguards ensure safety at the pool with support from our staff. If your child is not toilet trained or is prone to accidents, they **MUST** wear swim diapers.

FIELD TRIPS

Campers will attend at least one group field trip per week. There is typically also one whole camp field trips each week. Parents/Guardians are encouraged to attend any field trips, but you must provide your own transportation and admission costs. You may call Camp Sunrise to obtain directions and expected arrival information. All field trip days are detailed in your weekly schedule. Transportation by school bus and/or van is provided to and from all field trips.

LAST WEEK OF CAMP

The last week of camp is devoted to color games which are similar to camp Olympics. There are no field trips that week. The last day of camp is a half day (11:45 a.m. dismissal) to prepare for the end of camp banquet.

ADDITIONAL FEES

On occasion trips may suggest additional fees to cover the cost of items for special events/activities (i.e., ice cream, pizza, etc.) These are always optional and for those who choose to participate. Additional spending money for off-site activities is not required, but is recommended. **Please put a note in your child's backpack if you are sending money for a specific reason. Please be as detailed as possible with correspondence.**

CAMPER SHIRTS

All campers will receive 1 Camp Sunrise shirt which corresponds with the color of their group. This is a thank you for registering, as well as a safety measure. We ask that all campers wear their camp shirts on all field trip days. Additional shirts are available for purchase at a cost of \$10/shirt (\$12 for XXL or Larger).

PROGRESS NOTES

Each week, your child's Group Leader will send home at least 1 note to let you know how your child is doing at camp. These notes are meant to keep you informed of special things that have happened at camp. Please make sure to check their bags on a daily basis. Staff has many responsibilities throughout the day. If you have specific concerns, have sent something with your child to camp for a specific purpose or would like more feedback from staff, please contact camp directly. Progress notes are NOT meant to be the only communication between parents and staff and will only provide a snapshot of the weekly activities.

LUNCH

Campers must bring lunch to camp every day. If your child has special dietary concerns, please indicate so on your application. Fruit juice for lunch and snack will be provided.

All phone contact with the camp should be directed through the Glastonbury Parks and Recreation Department prior to the start of camp at (860)652-7679.
