

Cromwell Recreation & Youth Services Financial Aid Guidelines 2017

Financial Aid will be made available on a first-come, first-served basis to those who qualify for a maximum of \$250 per participant annually with proper documentation and verification through Youth Services as outlined below. Financial Aid may be used towards Recreation and Youth Services in-house programs (i.e. camp, fall soccer, etc.) only. Our donation fund is supported by individuals and organizations so once it runs out no subsidizations will be available.

Payment plans will no longer be issued. To ease the burden of paying for camp all at once, you will have the option to register for one week at a time beginning in mid-March when summer registration begins.

Requirements for documentation:

Proof of residency and a copy of your free and reduced lunch documentation from the BOE.

All information will be kept confidential.
