

We Need Friends Just Like You!

Without friends like you, we would have fewer books in the library, fewer programs for our kids, fewer programs for adults, less library equipment, even fewer places to sit!

The Friends of the Cromwell Belden Public Library work diligently to provide these services, but we need your help!

Please join us!

You can join us for meetings and let your ideas be heard, you can volunteer to help out on an occasional book sale or program, or you can simply help us with your donation. We appreciate it so much!
