Art-ventures in the Rainforest with **Let's Gogh Art for Gr. 3-5**
Head off on a jungle art safari! Art explorers trek through the rainforest, discovering the wondrous and rare creatures that call it home. Journey into the world of parrots, jungle cats, snakes, red-eyed tree frogs, butterflies and more. Experiment with whimsical and original art forms and techniques. Build rockin' rain sticks, design metal art reptiles, and create colorful backpacks. Throughout the voyage art adventurers learn about the importance of saving the rainforest, and pick up super artist survival skills like sculpting with clay, printmaking, painting, collage, and journaling. They even make their own t-shirts using a unique and unusual heat-sealed fabric pastel technique. Surprises and laughter round out this fun-filled art safari.
