### E. New Business

1. Review public hearing comments and proposed revisions to the Charter
  - i. Chairman Camilleri mentioned that the Commission has been in contact with the Secretary of State's office with regard to the legal requirements of the Charter. At this point, the Commission is comfortable that the Charter meets any legal requirements, but that's not conclusive. The Commission is still examining issues related to transitioning from electing a Town Clerk and Tax Collector, to appointing individuals to those roles.
  - ii. Mr. Camilleri also mentioned that the Revised Charter would trump any existing ordinances that it comes into conflict with. Thus, the Commission would review any inconsistencies that may arise between the Revised Charter and existing ordinances.
  - iii. Mr. Beaulieu mentioned that the Commission decided that the issue of 'term limits' for Town Boards and Commissions was not necessary to address in the Charter.
  - iv. Mr. Camilleri stated that the Commission would review language inconsistencies that were raised by Alice Kelly (47 Willow brook Road, Cromwell).
    - a. One such example was to revise references to 'Department heads' to 'Administrative officers'.
