

**PRESS RELEASE**  
**WILLOWBROOK ROAD RECONSTRUCTION PROJECT**

Cromwell, CT: This release is to advise the public of the start of the construction project referred to as the “Willowbrook Road Reconstruction Project”. The proposed construction consists of minor widening, drainage improvements, pavement rehabilitation and sidewalk installation. The proposed construction will begin at the intersection of Willowbrook Road and Route 372 extending north along Willowbrook Road for approximately 1,800 feet. Further up Willowbrook Road, the cross culvert carrying Willow Brook will be replaced along with approximately 350 feet of roadway reconstruction and new sidewalks.

The contract has been awarded to Baltazar Contractors, Inc., who were issued a Notice to Proceed date of November 1, 2017. The contract duration is 158 days, with a winter shutdown. We anticipate project completion in the summer of 2018. During the construction please expect traffic delays and detours.

It is the Town's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns with us to assist in the project's development. Anyone interested in obtaining further information or providing input may do so by contacting the Public Works Department at 860-632-3420.
