Town of Cromwell Drive-thru Distribution of COVID-19 At-Home Rapid Test Kits and N95 Masks

The Town of Cromwell has received a limited number of COVID-19 At-Home Rapid Test Kits and N95 Face Masks which were procured by the State of Connecticut. These test kits will be made available to Cromwell residents.

Drive-thru distribution will take place this Wednesday, February 2, 2022 at the Cromwell Town Hall parking lot located at 41 West Street in the Town of Cromwell. In order to make distribution available and equitable to as many residents as possible, distribution will run first come first served from 5:00 PM – 7:00 PM or while supplies last. Proof of residency will be required. Distribution will be limited to 1 test kit and 6 N95 masks per car. Additional kits may be made available in the future if supply allows.

Please understand that this is a short-term, interim solution with a limited number of kits attempting to slow the spread of the highly contagious Corona Virus and its variants.

For additional information, please contact the Cromwell Health Department/Office of Emergency Management at 860-632-3426.
