

**American Red Cross**

# **Volunteer to Make a Difference**

## **Provide health to communities during disaster**

Disaster Health Services is a vital part of disaster relief operations and provides frontline support to keep those impacted by disaster safe and healthy.

The Red Cross urgently needs Health Services volunteers ready to deploy for **10 days** around the county to ensure we can provide safe shelters this disaster season.

### **Who can Apply?**

Anyone with an unencumbered license, such as: Registered Nurse, Licensed Practical Nurse, Licensed Vocational Nurse, EMT, Paramedic, Nurse Practitioner, Advance Practice Nurse

### **What are the Requirements?**

Ability to deploy in person for a minimum of 10 days

Ability to complete 9 hours of training

A willingness to support the Red Cross mission and provide the best possible care to our clients
