

## PRESS RELEASE

The Town of Cromwell Public Works Department hereby advises the citizens of Cromwell and all other interested parties, that the construction of Coles Road will commence on or about February 24,2020. The work is comprised of the reconstruction of Coles Road, and is expected to take approximately 276 days for completion. The project will be undertaken by Baltazar Contractor's Inc. 18 Carmelina's Way, Ludlow MA 01056. Coles Road will be closed to through traffic between Shunpike Road and Willowbrook road beginning on or about February 24,2020. Local access to residences and businesses will be maintained. All other traffic must observe the posted detour. It is anticipated the detour will be in place through the end of May, 2020. For further information or concerns contact the Public Works Department at (860) 632-3420. Construction plans are available at Town Hall in the Public Works Department.
