The City of Middletown and Wesleyan University, in cooperation with Take 2 Inc. will host a two day event at 170 Long Lane, Wesleyan University, Middletown, CT.

On Friday, September 14th, all CT Businesses are encouraged to bring their loose hard drives to be shredded, along with used IT / electronics to be collected for recycling from 12 noon to 4:00 p.m. The hard drive shredding will be done on-site at Wesleyan for FREE and the recycling for business generated e-waste will be done for a small fee per device (see below). ***Businesses must pre-register*** with Take 2 Inc. to have their material accepted at this event.

On Saturday, September 15th, Wesleyan will be hosting a FREE residential e-waste recycling and hard drive shredding event from 9:00 a.m. to 1:00 p.m. This event is open to all Connecticut residents at no charge. Residents are not required to pre-register.

Take 2's mobile hard drive shredder will be on site to shred hard drives, which should be removed from computers and laptops and ready to be shredded. Take 2 will not be able to remove hard drives from devices at the event. Take 2 will be on site to unload vehicles and safely package and transport all unwanted electronics to their Waterbury facility to be responsibly and securely recycled.
