

NEWS RELEASE

CROMWELL, CONNECTICUT - the Town of Cromwell has a project for the reconstruction of Coles Road. Preliminary design has been completed and the project is slated for construction funding under the LOTCIP Program administered by the Connecticut Department of Transportation. It is the Town's and the State's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns to assist in the project's development. The Town will conduct an informational meeting on September 5, 2017 6:00P.M. at Town Hall, 41 West Street Cromwell, CT 06416 in Room 224.

It is planned to perform minor widening, drainage improvements, pavement rehabilitation and sidewalk installation on Coles Road from Shunpike to the Route 9 underpass. Based upon a preliminary assessment, the construction cost will be approximately \$2,349,880. The Federal Highway Administration and State of Connecticut will provide 100% of the construction cost with the Town providing funding for design. Anyone interested in obtaining further information or providing input may do so by contacting Jon Harriman, P.E., Town Engineer, 860-632-3465.
