PRESS RELEASE

May 24, 2018, Cromwell Ct., Mayor Enzo Faienza and Town Manager Anthony Salvatore are pleased to announce that the Splash Pad at Watrous Park will open for the season starting May 25, 2018.

We wish to commend the Parks and Grounds crew for getting the splash open in such an expeditious manner before the start of the warm weather.

This year we hope the splash pad will continue to grow our community and be a meeting place for both the parents and children and be enjoyed by all throughout the summer months.
