Title: Digital Orthophotography and Photogrammetric Mapping

**Responses to
Requests for Information**

Question 1: Where can I find the mapping boundary?

Response 1: The Mapping Boundary is the corporate boundaries of the Town of Cromwell, Ct. and can be found here: <https://ct-deep-gis-open-data-website-ctdeep.hub.arcgis.com/maps/df1f6d681b7e41dca8bdd03fc9ae0dd6/about>
You can run a 200' buffer on that and get exact area. Note, the Easterly boundary is incorrect, it should include Gildersleeve Island in the Conn. River we have contacted the State of Ct. to fix that

Question 2- Are there any required forms for the proposal?

Response 2: All of the required forms can be found on the Town of Cromwell website: www.Cromwellct.com, click the tab labeled Bids/RFPs/RFQs, just follow the instructions, provide your qualifications etc. Sections I through III in Envelope #1. Provide your cost proposal Section IV (Attachment 2) in Envelope #2
