FRIENDS OF THE CROMWELL BELDEN LIBRARY

SUPPORT YOUR
LOCAL LIBRARY AND
JOIN US TODAY!

The purpose of the Friends of the Cromwell Belden Public Library, a non-profit group, is to assist the library.

The goal of the Friends of the Cromwell Belden Public Library is to make the library an outstanding cultural, recreational and educational center for our community. Every dollar raised is used directly to support the library. Funds are obtained through book sales, raffles, community events - and membership dues.

About The Friends

The Friends raise and receive funds for books and equipment, sponsor programs for children and adults, and donate various materials and museum passes to the library.

We need your help to continue to grow and provide additional events that will help fulfill the many needs of the library. We are always looking for new members and people who can help us to increase resources for the Cromwell Belden Public Library. Some members support the Friends simply by paying their annual dues, while others become more involved by attending monthly meetings or donating their time.

Please join us!

How To Join

Fill out the other side of this page, detach, and mail completed form & check to the Friends of the Cromwell Belden Public Library. Please make checks payable to the Friends of the Cromwell Belden Public Library
