TOWN OF CROMWELL  
JANUARY 26, 2017  
(See preceding Legal Notice)

The Moderator explained that the legal notice is available and asked that the call of the meeting be waived. Motion was made by Anthony J. Salvatore, seconded by Enzo Faienza. Motion carried.

A motion was made to discuss the resolution to approve an appropriation for the reconstruction of Coles Road by Enzo Faienza, seconded by Ed Weners.

The moderator stated that the Town Engineer and the Finance Director are present to answer any questions.

Stanley Jasiecki- 33 Shadow Lane - Asked why the plan for improvements of Coles Road includes sidewalks on the South side. He is very familiar with the area and feels that sidewalks would be better on the North side, connecting to the existing ones. It would make more sense and safer for pedestrians not to have to cross the street.

Moderator – Thank you and your point is well taken, however we are here only to appropriate the funding, the design phase will come later.

Myron P. Johnson – 16 Pleasant Street – Agrees with Stanley Jasiecki. Widen Coles Road on the high side. Never sees pedestrian traffic.

Moderator – Comments well noted, reminder that we are here to appropriate funds only.

Allan Waters- 86 South Street - Asked if this funding covers both of the bridges over Route 9.

Anthony J. Salvatore, Town Manager answered that the project will include the milling and paving of the bridge decks.

A motion was made to approve the appropriation of funds for the Coles Road reconstruction. All in favor say "Aye". Motion passed.

No other business at this time. Meeting adjourned at 6:35 pm

Respectfully Submitted,
